Snack of the Month: Justin's Chocolate Nut Butters

What's better than peanut butter? Just add chocolate...

Hey, butter butter, hey, butter, butter, *swing* butter butter butter.

Step up to the snacking plate for the latest sensation. **It's creamy. It's chocolaty. It's nutty.** Are you in love yet?

Cult fave **Justin's Nut Butter** just launched a line of swoon-worthy **Chocolate Nut Butters** (\$9.99). Choose from three knock-it-out-of-the-park flavors: Chocolate peanut butter, chocolate almond butter and chocolate hazelnut butter. **Smear the stuff on toast, use it as a fruit dip or stir it in oatmeal for a luxe treat.** A two-tablespoon serving (about the size of a ping pong ball) is about 170 to 190 calories, and is packed with healthy fats and 3 grams of filling fiber. Plus, there are no artificial flavors or preservatives. In January, easy-to-tote squeeze packs will hit the scene, so you can spread 'em anywhere.
