Justin's Peanut Butter Cups

As seen on 'healthy chocolate' segment at Natural Products Expo West

Justin, who makes nut butter singles, has crossed over to the dark chocolate vegan peanut butter cups. Koff gave the candy a thumbs up....

1 of 9: Chocolate makers are eager to show their product is a health food after a study found that cocoa offers health benefits. Food Coach Lori Corbin and registered dietician Ashley Koff visited the annual Natural Product Expo in Anaheim and sampled their way through countless exhibit halls looking for foods really worth sinking your teeth into.
